

# Lamination Prices

To give all round protection to posters and photographs, encapsulate your images with double sided glossy lamination material. It will make the images water proof and more rigid, but can still be rolled for easier transportation.

Images are encapsulated in 350 micron material.  
 Prints and posters supplied by clients undertaken at customers own risk.  
 All prices subject to VAT.

SIZE	1 off	2-4	5-9	10 +
297 x 210 (A4)	£6.00	£4.00	£3.00	£2.00
