

For vibrant eye catching images, solutions are available as either solvent or aqueous inkjet prints. Print sizes can be up to 1220mm wide by 3000mm long if mounted and longer if, for example the images are printed to Floor Graphics. For extra large graphic areas, the images can be tiled to suit. Using a variety of media, images can be produced to enhance any exhibition or display. Below are listed the most popular media and some ideas for their use. However, should you have a particular challenge to meet, please feel free to call for advice.

- Posters
- Mounted Panels
- Floor Graphics
- Vinyl
- Backlit Film
- Canvas
- PVC Banner
- One-Way Vision Window Cling
- Wall Paper

Prices exclude V.A.T & delivery. Quantity discounts available please call to discuss
